Marshall

It was a new thing for the Webkinz. They are getting a new addition to the family.

>"I wonder what kind of animal it's going to be." said Tabby.
"I hope he or she's going to be a friendly animal." said Lulu. Suddenly, the door knocked.

>"I got it." said Stripes. He opened the door to find a green frog sitting at the doorway.
"Hi. Are you Stripes?" asked the frog.

>"I am he. Are you related to Frogger? I'm just asking for a friend." said Stripes.
"I don't even know who you are talking about." said the frog.

>"Stripes, let our new friend in." said Chandler. The tiger let the frog in the house.
"Hi. You must be the new addition to our family. I'm Lulu, the leader of the household, and the girlfriend to Stripes over there." said Lulu.

>"Nice to meet you. I'm Marshall." said Marshall.
"Marshall. What a nice name." said Jessica.

>"You'll get used to everyone's faces eventually." said Bronta.
"Okay." said Marshall. Everyone gave Marshall a tour around the house. Marshall felt quite at home now.
